MEMORANDUM FOR: Chief, Automation Division, OSA

SUBJECT: Request for FAY Program

Per discussion with [] of your staff, DDS&T/SPS requests that the FAY program be released to us for incorporation into another program which is currently being written for SPS by OCS. FAY output is now required as an input to this new program. From both a technical and an operational point of view, SPS believes it would be advantageous to incorporate FAY as one chain in the new program. If this is agreeable with Automation Division, OSA, please inform [] of our staff so that arrangements may be made to obtain the FAY program in the necessary form. The modification of FAY to suit SPS's needs has already been incorporated into FAY
